

Provider Guidelines - Your Own Network

www.yourownnetwork.co.uk

Please include a photo, some info about yourself as well as a wishlist - people won't donate unless they think it's a real person!

- All users must be over 18.
- New users are recommended to make a note of their password somewhere safe.
- All users require a referral code from Your Own Place.
Contact jarrod@yourownplace.org.uk
- We recommend that users only share first names on their public profile and not their exact location.
- If requesting goods through their Argos wishlist, it is up to the user to ensure their address is accurate, up to date and can take deliveries.
- Your Own Place will not be able to negotiate with Argos for re-deliveries.
- It is recommended that users do not make arrangements to meet people through the website.
- Your Own Place will moderate the message board on the website.

The best young people's profiles that get most help will be:

- Positive
- High end items are least likely to be donated - whole list not over £500.
- Specific and personal
- Honest and authentic
- Aspirational
- Updated
- Tell a story about where they want to be in 5-10 years
- Tell a story about how people's help and donations will make a difference to them
